"Outer Continental Shelf Environmental Assessment Program Final Reports of Principal Investigators" ('OCSEAP Final Reports') continues the series entitled "Environmental Assessment of the Alaskan Continental Shelf Final Reports of Principal Investigators."

It is suggested that sections of this publication be cited as follows:

Johnson, K. U., C. H. Nelson, and H. L. Mitchell. 1983. Assessment of gray whale feeding grounds and sea floor interaction in the Northeastern Bering Sea. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):1-161

Nerini, M. K., L. Jones, and H. L. Braham. 1980. Feeding ecology of the gray whale in the northern Bering Sea. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):163-207

Thomson, D. H. (cd.). 1984. Feeding ecology of the gray whale (Eschrichtius robustus) in the Chirikof Basin, summer 1982. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):209-460

Individual sections of the above report may be cited as follows:

Thomson, D. H. 1984. Project rationale, design, and summary. In: D. H. Thomson (cd.), Feeding ecology of gray whales (Eschrichtius robustus) in the Chirikof Basin, summer 1982. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):209-460

Thomson, D. H. 1983. Distribution, production, and ecology of gray whale prey species. In: D. H. Thomson (cd.), Feeding ecology of gray whales" (Eschrichtius robustus) in the Chirikof Basin, summer 1982. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):209-460

Miller, G. W. 1983. Distribution and abundance of gray whales. In: D. H. Thomson (cd.), Feeding ecology of gray whales (Eschrichtius robustus) in the Chirikof Basin, summer 1982. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):209-460

Würsig, B., D. A. Croll, and R. S. Wells. Assessment of gray whale feeding grounds and sea floor interaction in the northeastern Bering Sea. In: O. H. Thomson (cd.), Feeding ecology of gray whales (Eschrichtius robustus) in the Chirikof Basin, summer 1982. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):209-460

Thomson, D. H. and L. R. Martin. Feeding ecology of gray whales in the Chirikof Basin. In: D. H. Thomson (cd.), Feeding ecology of gray whales (Eschrichtius robustus) in the Chirikof Basin, summer 1982. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):209-460

Frost, K. J., L. F. Lowry, and R. R. Nelson. 1983. Investigations of Belukha whales in coastal waters of western and northern Alaska, 1982-1983: marking and tracking of whales in Bristol Bay. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):461-585

Stewart, B. S., F. T. Awbrey, and U. E. Evans. 1983. Belukha whale (Delphinapterus leucas) responses to industrial noise in Nushagak Bay, Alaska: 1983. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):587-616

Fishman, P. A., R. S. Caldwell, and A. H. Vogel. 1985. Lethal and sublethal effects of oil on food organisms (Euphausiid: Thysanopoda raschii) of the bowhead whale. U.S. Dep. Commer., NOAA, OCSEAP Final Rep. 43(1986):617-702

OCSEAP Final Reports are published by the U.S. Department of Commerce, National Oceanic and Atmospheric Administration, National Ocean Service, Office of Oceanography and Marine Assessment, Ocean Assessments Division, Alaska Office, Anchorage, and primarily funded by the Minerals Management Service, U.S. Department of the Interior, through interagency agreement.

Requests for receipt of OCSEAP Final Reports on a continuing basis should be addressed to:

The facts, conclusions, and issues appearing in these reports are based on research results of the Outer Continental Shelf Environmental Assessment Program (OCSEAP), which is managed by the National Oceanic and Atmospheric Administration, U.S. Department of Commerce, and funded (wholly or in part) by the Minerals Management Service, U.S. Department of the Interior, through an Interagency Agreement.

Mention of a commercial company or product does not constitute endorsement by the National Oceanic and Atmospheric Administration. Use for publicity or advertising purposes of information from this publication concerning proprietary products or the tests of such products is not authorized.

Content of these reports has not been altered from that submitted by the Principal Investigators. In some instances, minor grammatical, spelling, and punctuation errors have been corrected to improve readability; some figures, charts, and tables have been enhanced to improve clarity in reproduction.
